

LIFEJACKETS

Military Slim Lite Life Jacket (Multi ver.) #11-ISP-227M-006 (OD Green)

Molle MSLJ on Plate Carrier

Description

This lifejacket has been designed for specialist applications such as parachutist operations yet easily fulfils other multi role uses in all geographical areas of extreme and adverse climates.

The low profile design ensures the lifejacket remains comfortable and unrestrictive when worn and comes in a compact military hook and loop valise with inspection window for quick arming head inspection.

A plastic closure buckle makes it quick and easy to don.

Used by military worldwide, the lifejacket is manufactured from highly durable synthetic materials to meet the extremely rigorous defence market standards.

LIFEJACKETS

Military Slim Lite Life Jacket (Multi ver.) #11-ISP-227M-006 (OD Green)

Molle ver. MSLJ specially designed for tactical operation users.

Key Features:

- ◆ “H” belt buckle system provides the greatest mobility which can be easily attached to tactical belt or carabiner.
- ◆ Extra molle straps with buckles enable users attached LJ to different types of tactical suits, such as plate carrier/BRV, operation vest and tactical backpack.
- ◆ Slim LJ design does not cause any extra bundle to tactical users who wear helmet or carry many gears. After bladder activated, it can still maintain a very good balance and not hinder user’s movement.

Molle straps w/ buckle x 9 pcs
